**Volume 8, Number 2, December 2024**

Welcome to Chempublish Journal. On behalf of the Editors, let me thank the authors, reviewers and Department of Chemistry, Faculty of Science and Technology Universitas Jambi as sponsoring institutions that made it possible for us to publish Volume 8, Number 2, June 2024. This issue featured five articles were authored/co-authored by authors from 2 countries (Gambia and Indonesia) which covered original research on the bioactive compound, bioactivity, computational chemistry, material chemistry, and metabolomic chemistry.

We also want to take this opportunity to welcome the new Editorial Team Members. The Editor in Chief, Editorial Board and Associate Editor are representing scholars from different field of chemistry. A full list of the Editorial members can be found on the inside cover of the Journal as well as on the website at <https://online-journal.unja.ac.id/index.php/chp/index>.

Chempublish Journal is a scientific multidisciplinary journal in the field of chemistry including chemistry, educational chemistry, applied chemistry, computational chemistry, and chemical engineering, powered by Department of Chemistry, Faculty of Science and Technology Universitas Jambi, Jambi, Indonesia. The Publishing frequency is 2 issues per year, in June and December. The criteria of the submitted article covers the following types of articles: first, the article presents the results of research in certain topic in Chemistry and Applied Chemistry; second, the review article and last, Communication (Based on Editor's Invitation). We are looking forward to receiving extraordinary manuscripts and to promoting the development in the cutting-edge of chemistry.
