

Preface

We are glad to present to the readers the five issues of our scientific journal “Jambi-English Language Teaching (JELT)” published by the University of Jambi. In this volum, we continue to publish the results of the national scientific researches which have been conducted by various researchers from different universities. These five issues are related to English education, linguistics, teaching methodology, etc. For more details about the current issues, it can be seen in the table of contents below.
