

## **Preface**

We are glad to present to the readers the six issues of our scientific journal “Jambi-English Language Teaching (JELT)” published by the University of Jambi. In this volume, we continue to publish the results of the national scientific researches which have been conducted by various researchers from different universities. These six issues are related to English education, linguistics, translation studies, and teaching methodology. For more details about the current issues, it can be seen in the table of contents below.

Editors
